My name is Bahati.

I live in Tanzania, East Africa,

I am 15 years old.

I am in high school and my favorite subject is math.

The day I received a shoebox changed my life because there were school supplies in the box.

There were crayons, pencils, erasers, pens and notebooks they were just for me.

I knew the person who packed this box was special and showed me that there was a God who loved me.

I began to attend church with my family. My family and I received Christ as our Savior because of the shoebox.

Thank you for sending the boxes around the world.

We will continue collecting school supplies for the month of August

The following items are suggestions.

**pencils, pens, crayons,
colored pencils, erasers,
pencil sharpeners, calculators,
small spiral notebooks, coloring books,
