## Washcloths and Soap

How would you feel if you only had one washcloth to share with all your family members?

Imagine how it would be to never have used soap to get clean?

When Operation Christmas Child passed out shoeboxes at an orphanage in Bosnia one child received for the first time in their life a bar of soap and washcloth.

The orphanage was poor and the children shared the few washcloths they had and usually without any soap.

Even though these everyday conveniences we have are taken for granted by us, just being able to supply a child with soap and a washcloth demonstrates to them that someone loves them.

When we give our small gifts in the boxes we are sharing Jesus with these children who may have never heard about Him.

**We will be continuing to collect hygiene items for the month of March.**

**They are soap, washcloths, toothbrushes, combs, deodorant, hair accessories.**

**We still need any knit t-shirts for making jump ropes. If you have any you don't want we would appreciate it.**
