Last week in Slovakia, local Operation Christmas Child ministry partners had the opportunity to share God's love with children fleeing the conflict in [Ukraine](#). At this outreach event, 52 children experienced God's love in a tangible way as they each received a shoebox gift after hearing the Good News of Jesus Christ!

One girl at the outreach event had to leave everything she owned when her family fled their home in Ukraine. She shared before the event that more than anything she wanted a new pair of Crocs. When she opened her gift-filled shoebox she was overwhelmed with joy to find a pair of bright green Crocs inside!

Not only did God know the desires of her heart, but He also provided the specific shoes she had been wanting. We praise God for how he is working in the hearts of these children, even in the midst of difficult situations!

Collecting the following for May!

Shirts, underwear, shoes, socks, flip flops, hats, scarves, mittens

Reusable small plastic bowls, cups, and water bottles

Stuffed animals and fishing items

Still needed: Additional toothbrushes, soap and washcloths

A Reminder: It cost \$9.00 per shoebox to send. Contributions toward the mailing of the boxes are also welcome.
